Sen. Gilbert working to save jobs

LANSING –Sen. Jud Gilbert, R-Algonac, issued the following statement regarding the annual State of the State address:

“During 2006 we are going to do everything we can to help job providers not only in Michigan but also companies looking to locate here. While I look forward to seeing more details of the governor’s jobs proposals, I have already started doing something about it. I am glad that my bill, Senate Bill 579, was unanimously passed by the Senate today. This legislation will help retain close to 100 jobs in Port Huron. Keeping these workers employed in Michigan rather than another state is important to maintaining our economic security.”
